

BRAND YOUR JOBSITE WITH CUSTOMIZED WATER BARRIERS

95TSS can **CUSTOMIZE** water-filled barriers at your request, with your **LOGO** and **CORPORATE COLOR**!

You can ensure safety and have a unique, well-branded jobsite in two simple steps:

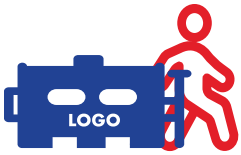

1. ADD YOUR LOGO

We can make any water-filled barrier exclusively yours by adding your logo to it. Just send us the artwork and we'll create a mock-up to show you before we print.

2. PICK YOUR COLOR

You can order your water-filled barrier in a variety of custom colors to match your brand. Just ask!

STAND OUT with
your own logo
and color choice.

Instantly make your
jobsite look even more
PROFESSIONAL.

See how great it looks!

Here are a few customized water-filled barriers we've created. They look fantastic and really stand out in a crowd!
